

Privacy Policy on GanElektri App

Thank you for using the GanElektri app and wish you a good study.

In compliance with the legislation regarding the protection of personal data, we inform you that the GanElektri application has the following characteristics:

- It does not collect any personal information.
- The information used is just the exercises that make up the app..
- This app is for educational use.
- The app does not make any kind of commercialization or request for personal data.
- We do not share any information..
- No login and password required to access the app.

The exercises that are objects of this application were developed by Dozzus, and we ask that the copyright be preserved. You may disclose the material, but we ask that you disclose the source.

Any further clarification, please get in touch through our available channels with the company that sold the application.

Cabo Frio, July 17, 2021.
